

WHAT A FREAKIN' FIASCO!

Fiasco is the best game about people with powerful ambition and poor impulse control that you'll ever play, and *The Fiasco Companion* makes it even better. More awful, more ridiculous, more Fiasco-rific.

Fiasco has been honored with an ENnies Judge's Spotlight award and been shortlisted for an Origins award, a Golden Geek award, and it won the 2011 Diana Jones award.
