

DURANCE

FROM FIASCO DESIGNER JASON MORNINGSTAR

Durance is the latest game from designer Jason Morningstar, author of the award-winning game Fiasco. Like Fiasco, Durance is designed to play fast and be easy to learn. Unlike Fiasco, it has a hard edge and detailed, engaging science fiction setting.

PRISON PLANET

On a remote planet far from civilization, the worst criminal scum from a dozen star systems have been dumped, charged with building new lives under the watchful eye of Authority. Within a brutal hierarchy of savagery and servility, convicts and guards alike must make hard choices. Every colonist has their own code of conduct and their own aspirations—aspirations that invariably come at the expense of others. This dangerous new world is too small for everyone to succeed. In fact, it may well be too small for anyone to succeed. Only the shrewdest, the toughest and the luckiest will get a chance to find out. Will you be among them?
